My Baby and Me
Playin' mandolin and fiddle
All night long
Baby can I sing along
Just me and you ... pickin' SongFarmers Blues

On a Front Porch Swing
Pickin' to the rhythm
When a neighbor calls
"Maybe we can play with you"
It dont have to be new ... pickin' SongFarmers Blues

We sing from the heart
And play with a circle of friends
Tune up that old guitar
and play All Night Long ...

My banjo and me
I can play a song and make it
sound so sweet
like a 5-string symphony
So can you ... pickin' SongFarmers Blues

(inst)

We sing from the heart
And play with a circle of friends
Tune up that old guitar
and play All Night Long ...

My Martin and Me
Your mandolin and fiddle
playing all night long
No one has to play alone
It's me and you ... pickin' SongFarmers Blues
It's me and you ... pickin' SongFarmers Blues
