

Discover the growing musical front porch community called *SongFarmers* as they gather their hometowns in song, friendship & love ... forming scores of SongFarmers chapters across America and around the world, bringing roots music into schools and changing the way artists view their music.

*A hometown SongFarmers Chapter is easy, fun and simple. Only the Chapter Leader needs to be a member, everyone else can come FREE. Whether it's 6 people or 60, a Hometown chapter encourages the "Front Porch" spirit in music for young and old, new and experienced.*

## A Banjo is a SongFarmer's Plow

So is a guitar, fiddle, mandolin and your singing voice. The **WoodSongs Front Porch Association** (WFPA) is an international association of front porch-minded musicians, artists, and dreamers.

## We call our members "SongFarmers"

A "SongFarmer" is any artist who uses music to make their lives, families, hometowns, and careers better. We help musicians find alternate way to make their artistic lives powerful, meaningful and important. Let's rethink this changing music world and keep your songs a very real, amazing part of your life.

Become a **SongFarmer** and help restore the simple love of music back into your hometown, schools ... and front porches.

"There is no greater stage than your own front porch, no brighter spotlight than the one that shines on your living room couch, no more precious audience than your own family and children.

And there's no greater peacekeeping force in the world than the community of musicians and singers getting people to stop, feel, ... and listen.

That's what being a SongFarmer is." mj
